

Land of the Lord - Elena Šiljić

Verse 1:

As we sit here
On the corner of the land
These maps they're in our hands
In isolation
And these walls
They're built between the islands now
And the words of the Lord
Keep us together

Prechorus 1:

Ohhh- Ohhh
We are the children of god
In this one boat

Chorus 1:

The lands and the seas they parted
Long before we had a chance to
Hold on to
Our brothers and the sisters of the land
(Our brother and sisters ohh)

Verse 2:

There's no boundaries
Nor no border we can't cross
These sails they lift our home about
The rough water
We stand
as one race against the tide
we build our bridges far and wide
to our neighbours

Prechorus 2:

Ohhh- Ohhh
We are the children of god
On this voyage we go

Chorus 2:

Oh the lands and the seas they parted
Long before we had a chance to hold on to
Our brothers and sisters of the land
