

**CARITAS
CHALLENGE**

HOW FUNDRAISING WORKS

The Caritas Challenge is designed to be highly adaptable to suit your group and community. You may want to seek sponsors from friends and family, or from local businesses. Alternatively, you could have an entry fee for your Challenge and raise funds that way. Be creative!

HOW YOU CAN COLLECT DONATIONS FOR YOUR CHALLENGE:

1. By cash or cheque (bank these using the deposit slip provided)
2. Online at www.caritas.org.nz/caritas-challenge

HOW TO SEND DONATIONS TO CARITAS

1. Make a single online donation of all funds raised at www.caritas.org.nz/caritas-challenge (don't forget to include your unique code)
2. Make an online bank transfer to Caritas 12-3192-0003532-01
3. Fill out the deposit slip provided and deposit all of your funds at the bank.

PLEASE DO NOT SEND US CASH

PLEASE ENSURE YOU HAVE DONATED ONLINE OR DEPOSITED YOUR FUNDS NO LATER THAN 20 JULY, 2018

WHY IS THE UNIQUE CODE SO IMPORTANT?

You are allocated a unique code when you register for the Caritas Challenge, so that when people donate to your Challenge the money is allocated to your school/group. This means that at the end of the Challenge we can tell you how much you raised. It also helps to ensure the donations we receive go to Timor-Leste, unless you have otherwise specified.
