Weaving Bonds of Belonging: **KNOWING OUR NEIGHBOURS**

Randy Bakeua and Gerry Forde are both part of the St Patrick's Invercargill community group, now known as the Spirit Army. The group regularly visits local struggling families, and organises various initiatives, such as community gardens to weave bonds of belonging.

“Many people are able to weave bonds of belonging and togetherness which convert overcrowding into an experience of community in which the walls of the ego are torn down and the barriers of selfishness overcome.”
