Contact Details: Postal	c/o Dominican Sisters P.O BOX 22 9120
Telephone	WESTERN Soloman Is
Fax	006777430996
Email	

### Request:

Project or Job Description:	<p>[Brief overview of the Project or Job for which assistance is required]</p> <p>St Theresa is a small rural education centre in Nagina, Choiseul Province. The school is in need of assistance, for volunteer to come &amp; spent time, to install the school's solar lighting for the classrooms, that is a two story building.</p> <p>The class-room has been without lights for some years, so it is still a great need for the building to have the light.</p> <p>The volunteer could also give a short course to involve the students boys or girls, who are interested to learn, and take part in the installation as part of their learning experience.</p> <p>[A separate detail of the Project or Job Description can be attached]</p>
Placement Length: Start: Completion:	3 months from February - 2017.

### Expertise Required

Qualifications:	A qualified natural experience person who have been qualified, and has already worked in Solar Projects.
Experience:	Experienced person in Solar Projects.
How important is it to have an understanding of the local <ul style="list-style-type: none"> <li>▪ culture</li> <li>▪ values</li> <li>▪ language?</li> </ul>	A Candidate should already be aware that Wagina is a remote area. Also they will be living with the Dominican Community.
What other skills/attributes are deemed to be important?	The Sea foods, and local foods, are the main diet. which can be an example of the tropical. Hope that the volunteer, would be adventure, open-minded, Compassionate with good Values.

## Partnership Structure

What organisation or institution will the volunteer be working within?	The Dominican Sisters.
Who will the volunteer report to?	Sr Rebecca MATEMATIONO, O.P.
Who will the volunteer be working with?	Sr Rebecca and Sr Fabiana, O.P
Is there a local counterpart assigned? If so, who? If not, what provision is there for local capacity building (training local people, improving skills etc.)?	Yes, St Therese training Center in Wagina. The volunteer will be asked to train the students and teachers in the Center.
Has this position been advertised locally?	No.
What evidence do you have that the skills are not available locally?	Almost impossible to find a local volunteer.

To what extent have local people been consulted in the formation of this project?	The School St Thomas was found, by the initiative & request of the local Community, to have the Solar light next year if possible.
What assessment of the social impacts (including gender) of this project have been made?	We have found a need to include Men & Women in the programme. By educating both genders, we are slowly creating a more efficient locality.
What assessment of the environmental impact of this project have been made?	There are positive ideas and plan, for teaching Computer classes, after the solar lights, are installed, etc.
Has a budget been prepared, showing expected costs and funding sources? If so please attach.	The Dominican Community provides for the living cost of Sisters and volunteers. The school's running costs, rely on donations, so we cannot make a firm Budget.
Is additional assistance in funding or resources also required? If so, please elaborate.	The school had fund-raising locally, at times during the year, and appreciate any funding.
Have you sought approval from the Diocesan Bishop? If so, please attach evidence.	+ CM. Cy 

Adrian Ch
