

Hide and Seek

Maisy Start Walter & Tobias Girod

I'm so scared
To disappoint you
Of letting you down
But I'm so tired
Can't you listen
Oh hear me out.

Hide and seek
1,2,3
Coming for me
I can't hide no more
No more.

Don't ask about the bruises
On my face
Tell them the monster's been replaced
Cos he's not hiding under my bed
No he's slowly
Killing me inside
And I can't hide, no
I can't hide.

Hide and seek
1,2,3
Coming for me
I can't hide no more / no more / no more / no more.

Spoken section: Too many children in NZ and all around the world are suffering from child abuse. It's time we opened our eyes and stood up for them.

Hide and seek
1,2,3
Coming for me
I can't hide no more
Hide and seek
1,2,3
Coming for me
I can't fight no more.
