

## Hide and Seek

Maisy Start Walter & Tobias Girod

I'm so scared  
To disappoint you  
Of letting you down  
But I'm so tired  
Can't you listen  
Oh hear me out.

Hide and seek  
1,2,3  
Coming for me  
I can't hide no more  
No more.

Don't ask about the bruises  
On my face  
Tell them the monster's been replaced  
Cos he's not hiding under my bed  
No he's slowly  
Killing me inside  
And I can't hide, no  
I can't hide.

Hide and seek  
1,2,3  
Coming for me  
I can't hide no more / no more / no more / no more.

Spoken section: Too many children in NZ and all around the world are suffering from child abuse. It's time we opened our eyes and stood up for them.

Hide and seek  
1,2,3  
Coming for me  
I can't hide no more  
Hide and seek  
1,2,3  
Coming for me  
I can't fight no more.
