

One human family – Lucy Wilkins

Looking out on a sunny day
People walking around
Ooh ooooh ooh
You can see their smiling faces
Lighting up the world
Ooh ooooh ooh

CHORUS

People think that you have to be famous to be cool
But no
They can't see that we're all just the same
Ooh ooooh ooh
One human family

Standing now and admiring
How we give respect
Justice and truth
Ooh ooooh ooh
No it isn't hard to see
People serving others too
Ooh ooooh ooh

CHORUS

BRIDGE

People say that everything wrong but it ain't
They need to give thanks for what they've got
One human family
