True peace means working so that everyone has a solution to the problems, to the needs, that they have in their land, in their homeland, in their family, in their society. - Pope Francis, May 12, 2015

Lent Module, Prayers and Holy Week Resources

The Lent module has been prepared specifically for the first term of 2018 and has been designed to integrate with the Timor-Leste module. Teachers and students are encouraged to use the Lent module for the first and last week of Lent. The Timor-Leste module is designed to be used through the middle of Lent with four lessons provided at each learning level. Selected prayers have been assembled in the online Prayer Booklet and a PowerPoint has been designed to lead groups through a liturgy for Holy Week using the Stations of the Cross.

First Week of Lent

An introductory lesson provides the perfect start to this season of Lent. The main activities are Ash Wednesday and deciding on a plan of action for the rest of the term.
