Peace is a precious gift, which must be promoted and protected... Never has the use of violence brought peace in its wake. War begets war, violence begets violence. – Pope Francis

LENT MODULE, PRAYERS AND HOLY WEEK RESOURCES

The Lent module has been prepared specifically for the first term of 2019 and has been designed to integrate with the South Sudan module. The South Sudan module is designed to be used through the middle of Lent with four lessons provided at each learning level. Selected prayers have been assembled in the online Prayer Booklet and a PowerPoint has been designed to lead groups through a liturgy for Holy Week using the Way of the Cross.

WAY OF THE CROSS POWERPOINT

These Stations of the Cross allow us to meditate on Jesus' journey to the cross whilst reflecting on the lives of people in South Sudan and around the world who face their own challenges.

FIRST WEEK OF LENT

An introductory lesson provides the perfect start to this season of Lent. The main activities are Ash Wednesday and deciding on a plan of action for the rest of the term.

HOLY WEEK

The culmination of Lent is found in the events of Holy Week. The final lesson is based around these events through the Way of the Cross and reflections about what has been learnt during Lent.
