TEACHER GUIDE

ARATOHU MŌ TE KAI AKO

It feels very timely that the theme for Lent 2021 is *A New Way Forward* as we reflect on the events of 2020 and the continuing impact of the pandemic.

The education resources have been designed to focus on the Gospel readings for each Sunday during Lent and connect to the work of Caritas and the call for justice in our world.

LESSONS are ready made to use in class in both **PowerPoint** and **Google Slides** format and are designed for a range of levels for each of the six weeks of Lent. The four different levels are: junior primary (Y1-4), senior primary (Y5-8), junior secondary (Y9-10), and senior secondary (Y11-13). Teachers will find useful information in the Notes sections of the slides. Full lesson notes are also available in Word format on the Caritas website for teacher planning and preparation purposes. It is recommended that teachers run through the lesson first and they can then choose to hide slides or edit elements to suit their class.

Every lesson follows a similar flow:

Opening Prayer → Responsorial Psalm → Setting the Scene → Gospel Reading → Gospel Reflection → Group Discussion → Caritas Case Study → Activity → Faith in Action → Closing Prayer

Six unique black and white **ILLUSTRATIONS** have been drawn depicting a key scene from the Gospel readings for each Sunday during Lent. These are included throughout the resources and could also be used for younger students to colour.

A selection of **POSTERS** can be displayed in class to help highlight Lent and the Caritas Challenge. The Action Plan provides a range of 40 tasks for students to undertake to keep it simple for Lent.

THE WAY OF THE CROSS liturgy is perfect to use in the lead up to Holy Week. Slides and notes are available to help guide through each of the 14 stations.

For Y12 students there is an updated focus for **AS90822** looking at the impact of the pandemic worldwide and how the Caritas response to this pressing need is a great example of Catholic social teaching in action.
