

STUDENT ACTIVITY SHEET 1

Doputz Primary School, Bougainville needs our help...

This year our focus is supporting the students and staff of **Doputz Primary School** to help them get new water tanks, toilets, education resources and classroom repairs.

MEET APOLONIA PEPEUSI (MURINA)

Age: 12

Year Level: Level 3

Favourite subject: Maths

Favourite food: Kaukau (sweet potato)

Favourite hobby: Singing

Apolonia is a student at Doputz Primary School. She lives in Gorotu Village in Ton. She is one of six people in her family. She has two brothers and two sisters. When Apolonia grows up, she wants to be a teacher. She has a dog who she helps care for.

Doputz Primary School, Bougainville needs our help...

This year our focus is supporting the students and staff of **Doputz Primary School** to help them get new water tanks, toilets, education resources and classroom repairs.

FOCUS: LIFE AT SCHOOL

Apolonia wakes up early in the morning and gets herself ready for school at 8am.

She walks to school with her friends in all types of weather. When at school, Apolonia does a range of subjects like Maths, P.E., English and Social Studies. She doesn't have a lot of resources.

How do you start your day? What is your favourite subject?

Music **Arts and Craft** **Religion**
PE and Sports **English**
Scouts **Health** **Maths**
Science **Social Studies**

How does this compare to the subjects you have at school?

Lunch is at 12pm and Apolonia will often have rice, kaukau (sweet potato), greens and sometimes chicken or fish.

How is this different from your lunch?

What do you do after school to help out?

Dinner is eaten before it gets dark and would likely be very similar to what Apolonia has for lunch.

Then she would go to bed around 8pm.

What is different between your day and Apolonia's day?

Have fun on July the 5th
