## FOCUS: SCHOOL

Doputz School looks very different from schools in New Zealand. Part of the money raised this year will go towards helping with school resources and classroom repairs.

What does your school look like? How is it different?

Any questions?

Students at Doputz Primary School experience some similarities to what New Zealand students experience during a normal school day. For example, they start school at 8am and finish at 3pm.

What questions do you have for Elijah and Apolonia about their school?

You can email your questions to pass on to the students at Doputz to [teresas@caritas.org.nz](mailto:teresas@caritas.org.nz)
